PROFILE SUMMARY

I am an accomplished academic and administrative professional with a strong background in English Language & Literature and Human Resource Development. With experience in student counseling, job placement, and international student affairs, I have successfully guided students in their academic and professional pursuits. My research interests focus on education, women's empowerment, and teaching, leading to published studies on EFL learning. Additionally, I have held leadership roles in academic organizations and social initiatives, demonstrating my commitment to education and community development. Recognized for my achievements in national competitions, I possess strong analytical writing, public speaking, and assessment skills, contributing effectively to academic and institutional excellence.
